Luke's Amazing Story of Jesus Part 2: His Ministry

A Bold Joy
April 8, 2018, 2018
Pastor Scott Hoerner

1. Well, this is the end of Luke's amazing story of Jesus. A story that began with a priest in the temple not believing the words of God's messenger (Luke 1:20-22) ended with the disciples worshiping Jesus with great joy and continually getting together in the temple (Luke 24:50-53). An interesting place to learn what difference Jesus makes in the lives of people today may be found at <http://www.pewforum.org/2016/04/12/religion-in-everyday-life/>. Write any comments to bring up in our growth group here:
2. Luke claims his amazing story of Jesus is based on eyewitness testimony "that you may have certainty concerning the things you have been taught" (Luke 1:2-4). Jesus himself prepared his disciples to be witnesses to the good news of his teachings, death, and resurrection (Luke 24:44-48). What are some things God has worked in your presence in your life? (Examples: stories of healings, restored relationships, forgiveness, victory over sin, release from spiritual bondage.)
3. Think of one or two close friends or family members who are not active in worshiping Jesus with great joy and getting together with other Christians. Be prepared to try and share how you've seen Jesus work in your life with our growth group—in such a way that if those people heard they might have certainty about Jesus and a desire to know him.
