The Acts of the Holy Spirit: Discover His Purpose and Power

Spirit-Led Giving
Acts 4:32-5:16
May 6, 2018
Pastor Mike Openshaw

1. What can we glean about Spirit-led giving from Romans 12:3-8? Consider the entire paragraph, not just verse 8.
2. Read Acts 11:27-30. *How* did the Spirit lead the Christians in Antioch to give? Has anything like this ever happened to you?
3. Why did the apostles look for people full of the Holy Spirit to address the issue of fairly distributing food in Acts 6:1-7? Discuss the relationship between verses 1-6 and verse 7.
4. Read Galatians 6:6-10. What do you think Paul is talking about in verse 6? What is the principle of sowing and reaping? What are some examples of sowing to one's flesh or sowing to the Spirit? In the context of Spirit-led giving, what does verse 10 mean?
