1. **Carefully read 1 John 5:6-21. In this passage, who is the "jury" weighing evidence and testimony? Who are the witnesses giving testimony? What testimony and "facts" (things known to be true) are laid before the jury?**

2. **John ends his letter by urging the readers to keep themselves from idols (v. 21). Read 1 Corinthians 10:1-7 and Colossians 3:1-5. What do you think "idolatry" looks like in 21st century America?**

3. **What do you think is a good way we can "celebrate" eternal life?**
