“When you use your God-given gifts to the utmost, God can take you on a path beyond imagination!” (Roddy Chong)

1. Share a highlight from your summer with the group:

2. Roddy shared his story of walking with Jesus. Key to his story has been Bible verses he memorized and would repeat over and over.

Tell us about a key verse in your life story. Share the verse and what it has meant to you:

3. Whenever he’d make a mistake, Roddy used to start over, hoping nobody would notice. Eventually he learned to play through his mistakes, because God’s moment of brilliance would sometimes be waiting right after the mistake!

Can you recall a “mistake” in your life that was followed by a moment of God’s brilliance? Share the story with our group:

4. Are you walking through a hard situation right now? How can the others in our group help you to get through to God’s moment of brilliance?
